single line dynamic

Multi-line dynamic
Will fit to the longest line
Here is a shorter line

single line dynamic with horizontal fit
that will go down to minimum size
then wrap

A

E
F
G
H
I

really long text that wraps onto a
new line very easily and then
goes much longer so that we
should eventually keep shrinking
 beyond the minimum to keep it
in the box, because otherwise it's
going to go over and exceed the
space
